

Doing Business Doesn't Have to Be Risky

The growing reliance on third-party vendors and how Panorays helps companies securely do business together.

THE CHALLENGE

And yet...

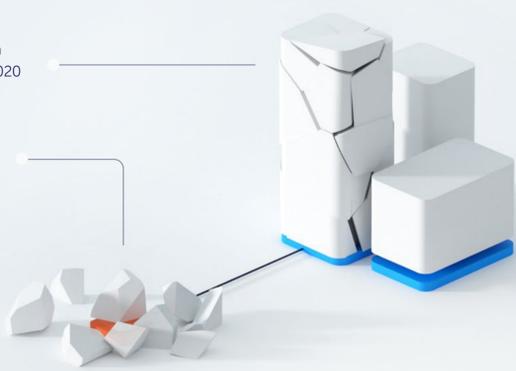

THE STRUGGLE

- 55%** find the third-party security risk management process challenging
- 51%** deplore the tedious, manual process of collecting third-party risk information
- 45%** find managing remediation projects time-consuming
- 41%** struggle to effectively monitor their vendors on an ongoing basis

THE IMPACT

THE SOLUTION

Panorays automates, accelerates and scales the third-party security evaluation and management process so you can quickly and easily manage, mitigate and remediate risk, reduce breaches, ensure vendor compliance and improve your security across the board.

Want less risky business?
